Subject: sequence search rush

Christina,

I have an amended case on my docket that is now allowable. Could you possibly rush the sequence search for me?

Thanks!

Case 09/655,272 (please include the pending database):

1. the nucleic acid molecule encoding SEQ ID NO: 2 AA - 398
2. the nucleic acid molecule encoding SEQ ID NO: 4 AA - 370
3. nucleotides 284-1477 of SEQ ID NO: 1 AA - 1757

Thanks!

Bridget Bunner
